Hi Jean,

Thanks for your reply. I checked with Paul and he is unavailable for all the times on the Doodle poll. We should go ahead without him but I'll coordinate with him afterward. Thanks again,

Erin

Yes, you can forward the Doodle poll or just the meeting announcement when I send it out. It looks like the meeting will be on August 13th. Morning or afternoon will probably be based on room availability. I should be sending something out tomorrow.

Hi Again,

Would it be okay if I include Paul Jones and/or Rob Leidy from EPA (if Paul is not available). Paul helped you all design the mapping method and I think he would be a valuable addition to the discussion?

Sorry Erin-

I sent this out yesterday, but with the wrong email address. See below for a BDCP wetland meeting.

Thanks,

Hello-

We would like to meet with you to review the wetlands mapped in the BDCP conveyance planning area. We will also compare the BDCP mapping with the Delta Wetlands delineation provided by the ACOE. Please use the "Doodle Poll" link below to let me know your availability for a meeting.
